Our Quality Assurance Program insures all ingredients and levels meet or exceed those on the label of each product. Both Select the Best ingredients and finished products are analyzed for specific nutrient content so you can be confident of the quality, effectiveness, safety, and freshness. Select the Best has the advanced solutions you are looking for.

Sand-Lax™

1-WEEK PURGE ADMINISTRATION FOR ONE HORSE

PRODUCT FACTS

ACTIVE INGREDIENTS: Psyllium seed husk

PER 5.2 OZ
140,000 mg

DIRECTIONS FOR USE:
Adult Horse (1,000 lbs): Administer 1 scoop daily for one week (7 days). Give less to ponies, yearlings and foals; more to larger horses and draft breeds. Can be given during or after mealtime.

Note: Scoop included, 5.2 ounces

INACTIVE INGREDIENTS:
Artificial and natural flavors, Ammonium hydroxide, Ascorbic acid, Cane molasses, Citric acid, Lignin sulfonate, Lecithin, Propionic, Acetic, Sorbic and Benzoic acids, Rosemary extract, Silicon dioxide, Tocopherols, and Vegetable oil.

WARNINGS:
For animal use only. Keep out of reach of children and other animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.

CAUTIONS: Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve, discontinue product administration and consult your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset. An examination from a veterinarian is recommended prior to using this product. **Provide fresh water to horse when using this product.**

Recommended for the support of healthy gut function, removal of sand from the colon, and to reduce the possibility of sand colic in horses.
